

Scholarship: Mechanical Students Grant Fund

The Lincoln County Mechanical Students Grant Fund was formed from the residual funds in the Association for the Support of the Automotive Program (ASAP) Fund, the Newport High School, Automotive Scholarship Fund, and from the Bay City Cruisers. Members of the three groups selected a committee to monitor the fund and select grant recipients for the fund. The original representatives of this committee were Walt Marchel, Mel Peterson and Tommy Thompson. The purpose of the fund is to sponsor grants to Lincoln County High School graduates who intend to enroll in Public Trade school or Community College mechanical programs such as: small engines, Auto Body, Auto Mechanics, Diesel and Truck Mechanics.

It started in February 2007. The scholarship value is \$1000 each year.

The Criteria are:

1. A graduating senior from a Lincoln County High School.
2. Commitment to further his or her skills in the mechanical trades outlined above.
3. Goals related to a career in the mechanical trades.
